

Hertfordshire 2020 Year of Culture

Factsheet

Also known as HYOC2020, Hertfordshire Year of Culture 2020 is a year to showcase Hertfordshire as a county of creative and cultural opportunity.

The campaign is being led by the Hertfordshire Association of Cultural Officers (HACO) and we are encouraging organisations and individuals from across the sector to get involved.

Five broad objectives have been identified to support the year:

- Celebrate, share and explore Hertfordshire's arts, culture and heritage
- Enable access and participation in arts, culture and heritage for new audiences
- Increase wellbeing and a sense of belonging through arts, culture and heritage
- Showcase pathways to education, employment and enterprise in creative and cultural industries
- Create new partnerships and new work through skill sharing and new ways of working

What will you see in 2020?

- A collaborative, high profile promotional campaign for existing cultural activity across Hertfordshire.
- Key dates to draw together delivery partners countywide
- 'Special Experiences' added to both current opportunities and new activities
- New partnerships and skill sharing between organisations and practitioners, creating new activity locally.
- 12 themed months, with core activity co-ordinated by a lead agency.

Monthly Themes

The year is split into 12 themed months. This does not mean that we won't promote cultural activities that don't link with that month - your activity can take place any time in the year. The months exist to provide the year with some structure and allow us to focus our marketing activities. They also help with the evaluation process.

January	Try Something New
February	Skills Development and Volunteering
March	Access the Arts
April	Go Somewhere Local
May	The Big Outdoors
June	Big Ideas
July	Cultural Olympiad
August	Families and Friends
September	Heritage and History/Meet the Maker
October	Be Inspired/Get Back Into
November	Creative Minds and Creative Industries
December	Celebrate and Illuminate

Who can get involved?

Anyone! We want as many people and organisations as possible to get behind this campaign to help us reach Hertfordshire residents. You could be a Parish or Town Council, leisure provider, lunch club leader, arts venue, dance group leader, music teacher, University of the Third Age Group (U3A), Rotary Club, group of mums or just a group of friends. You could be someone who runs a group that has no link to arts, culture or heritage but would like to encourage your group to try new activities throughout the year. Or you may be someone who provides creative and cultural opportunities who can promote what you offer under the HYOC2020 umbrella to encourage new people to join your activity.

How is the campaign promoted?

Keep up to date with the campaign and share your activities on social media using **#HYOC2020**. Our partners are also promoting what's happening in their local areas and are spreading the word through their own networks. Members of the public and organisations can find out what's going on by using our What's On Guide within **www.creativehertfordshire.com** or by following **#HertsCreativeCalendar**. We're also sending out a monthly newsletter which will provide an opportunity to do some more in depth promotion on specific events and individuals. Our fabulous mascot YOCl, is available to visit activities and events throughout the year and we have a range of promotional items for you to borrow. Once we know your plans, we'll send you a toolkit to help promote your activities which includes the HYOC2020 logo.

Is there any funding available?

Whilst there is no core funding for the year, our toolkit contains a funding factsheet to help point you in the right direction to apply for grants to assist you.

What will our legacy be?

- Higher visibility of the cultural offer across the county for both residents and visitors
- Additional resources for culture levered in from national funding and sponsorship
- Evidence bases collated, including the impact of culture on wellbeing in Herts
- Other countywide agendas and strategies who have identified the value of arts, culture and heritage to their priorities
- A partnership or consortium of lead partners that can be enhanced to support delivery of a range of activities, facilitate networks and attract funding to Herts
- Collective endorsement for a shared cultural vision and strategy to make Hertfordshire the county for supporting participation and innovation in arts, media, culture and heritage.
